AUDITION SIDES FOR "WHO SHOT JUANITO BANDITO?"

Character ideas:

Jake: Jack Lawson is our handsome hero. Strong, confident, humble, intelligent and in completely love with Amelia. He's the ultimate "cute boyfriend" that every woman wishes they had. Speaks with a natural, slight western drawl.

In the first scene with the Sheriff, Jake has been hired as the deputy of the town. The Sheriff is a big-headed chauvinist and Jake is really the one responsible for anything good that happens when it comes to keeping the peace. He is content to let the Sheriff get the credit. He just wants whatever is best for the town and its people.

In the second scene with Amelia, we see their "in-love-ness". He's been away working at the mines, but makes the trek back to town during his lunch hour just to see her.

Amelia: Amelia Everlight is our heroine. Dignified, beautiful, happy, and smart. She has an inner confidence that shines in every move she makes, and she's completely in love with Jake, although she is always appropriately coy with him. No accent necessary, just confidence and a voice that'll knock yer socks off ☺.

Sheriff: Sheriff Big Guns Bill Garrett has a head that's bigger than his hat. He's constantly worried about his physical appearance and thinks of himself as the most beautiful thing in the universe. Heaven's gift to humanity. He's unaware of anyone and anything around him. He's always asking himself, "What's in this for me? How can I benefit from this?" Turns bad in the end.

Kansas: One of BANDITO's sidekicks. Thinks she's smarter than she is. Speaks with a ditsy type of New York/New Jersey accent if possible. If you don't do New York, give something else a try. This is a comic character part that will also have a lot of singing.

Steven: The other of BANDITO's sidekicks. Speaks with a British accent. Think Bert from Mary Poppins or the bad guys on 101 Dalmations ☺. He's also dim-witted, but is more aware of his stupidity than KANSAS. He's un-assuming and laid-back, but confident in his abilities with a gun.

SHERIFF AND JAKE:

SHERIFF

To the audience

Yes, thanks to my lawkeeping prowess we have an impressive lack of crime. But you know what's really impressive? My gluts, my deltoids and my face ... so basically just me in general. You wanna talk about impressive? You're lookin' at it.

Pause, then.../

Deputy Lawson!

JAKE

Entering

Ya, Sheriff?

SHERIFF

There's something important we need to discuss.

JAKE

About how to protect the bank from Juanito Bandito and his gang of outlaws?

SHERIFF

No. It's more important than that. What can you tell me about eyebrow waxing?

JAKE

Not a whole lot.

SHERIFF

I see. That's all. You can run along now.

JAKE

Sheriff, you *did* hear that Juanito Bandito and his gang are camped out at Whistling Skull Rock?

SHERIFF

That right?

JAKE

Yeah.

SHERIFF

Hmm.

Thinks hard.

Do you think it's painful? Eyebrow waxing I mean. I mean, how hot is the wax exactly?

JAKE

Getting a little bugged

We should really talk about the bank.

SHERIFF

You know I'd like to, but I just don't see how protecting some bank is going to make me more physically attractive.

JAKE

You're unbelievable.

SHERIFF

Thank you, I know.

JAKE AND AMELIA:

JAKE

Pssst. Amelia!

She turns and sees him.

Hey.

AMELIA

Jake Lawson, what are you doin' in town at this hour of the day?
Aren't you supposed to be at the mine?

JAKE

I'm on my lunch break.

AMELIA

But they only give you 15 minutes.

JAKE

's right. If'n I run fast as ah can, takes me seven minutes here and seven minutes back. That leaves me one minute to spend talkin' to you.

AMELIA

That's a lotta running for only sixty seconds of talkin'.

JAKE

Best sixty seconds of the day.

AMELIA

Really?

JAKE

Without a doubt.

AMELIA

Jake Lawson, sometimes I could just kiss you.

JAKE

Well don't let *me* stop ya.

They laugh.

You come to your senses yet about this Bandito thing?

AMELIA

No.

JAKE

Amelia, really! What are you going to do? Ain't no man alive can stop him ... much less a woman.

AMELIA

What's that supposed to mean?

JAKE

Nuthin', I just don't wanna see you get hurt, that's all.

KANSAS AND STEVEN:

KANSAS

Domingo, did you get the dynamite?

STEVEN

My name is Steven and yes, I did.

KANSAS

What?

STEVEN

Yes, I got the explosives.

KANSAS

STEVEN

KANSAS

STEVEN

KANSAS

Domingo, you are a funny man.

STEVEN

Many thanks but, really ... my name's Steven. 'S'not Domingo.

KANSAS

What ever you say Domingo.

STEVEN

KANSAS

STEVEN

No, see it actually is my name.

KANSAS

Domingo listen, it was funny at first, but this gag is kind of dragging on and we need to get on with the show okay?

STEVEN

Getting annoyed a little

KANSAS

STEVEN

KANSAS

STEVEN

A bit more annoyed
Steeee-ven.

KANSAS
